Dear Herb,

Sending this along for your information.

Don't know that anything may come of it, but still, as they say, "no harm in trying." Keep your fingers crossed.

Will keep you posted on developments.

Bestus,

Laura

Dear Sirs :

This letter is directed to you in a charitable attitude requesting your considerate attention to the following :

Would your company be positively responsive and disposed to sponsoring a charity premiere for the National Headquarters of Delta Kappa Alpha. The disposition of funds donated would be placed in trust for the establishment of scholarships for DKA actives at those universities having DKA chapters.

In as much as both of you gentlemen are honoraries of DKA it is not necessary to outline it's dedication. Scholarships in cinema have been established at some universities on a departmental level. It would be most gratifying to have a scholarship for the National Chapter of DKA.

The significance of these DKA honoraries predominant in the production of "The Rat Race," yourselves and Miss MacGraw, your editor, is potentially a good public relations factor, if you chose your current production for a charity premiere.

This is a joint effort of USC and UCLA, on behalf of the National Chapter, and it would be most gratifying to be able to report the
