DEPARTMENT OF CINEMA

In 1929, the University of Southern California in cooperation with the Academy of Motion Picture Arts and Sciences offered a course described in the Liberal Arts Catalogue as:

Introduction to Photoplay: A general introduction to a study of the motion picture art and industry; its mechanical foundation and history; the silent photoplay and the photoplay with sound and voice; the scenario; the actor's art; pictorial effects; commercial requirements; principles of criticism; ethical and educational features; lectures; class discussions, assigned readings and reports.

The Dean and instructor was Karl T. Waugh. Special lecturers listed in the catalogue included Douglas Fairbanks, J. Stuart Blackton, Ernst Lubitsch, Irving Thalberg, Clara Beranger, William Cameron Menzies, Edwin Schallert, and William C. De Mille.

In 1932 the Department was the first in the United States to offer the Bachelor of Art's degree with a major in Cinema. In 1935 the Department was the first to offer the Master of Art's degree with a major in Cinema, and was the first department to offer the Ph.D. in Communications with a major in Cinema in 1958.

The Department of Cinema of the University of Southern California is the oldest and the largest in the United States. The University has received an Academy Award, has had nine films shown at Edinburgh, and has won eight Screen Producers Guild Awards and numerous other awards from festivals both here and abroad.

Delta Kappa Alpha, National Honorary Cinema Fraternity, was founded at the University of Southern California in 1936. Its purposes are to provide an opportunity for fellowship among students of Cinema; to maintain a relationship between the motion picture industry and film students; and to promote the phases of film that are symbolized by the initials D K A: Dramatic, Kinematic, Aesthetic.
