Dear Mr. LeRoy:

All of our students and faculty here at USC Cinema were immensely pleased to learn that you will be one of our honorary members and will attend our banquet on February 11. As the time draws near, the excitement seems to grow. Enclosed with this note is the invitation which was sent out.

Our program is taking shape. Of course, Robert Wise will help us plan the program. Most of the members of the committee have been hard at work to help make that evening a great one. As the program develops I will keep you informed of the plans.

You and your wife will, of course, be the guests of the fraternity. If you wish to invite any of your friends for that evening, their tickets would be \$11.00 per person. Even though it is a black tie affair we try to keep the general atmosphere rather relaxed. We do not have a head table. Presentations are made on a small stage. Because of this arrangement you are welcome to reserve all or part of a table for you and your friends. Tables seat 12 or 14 persons.

These affairs are always enjoyable. I think you will find it different, party-like and a real delight. We all look forward to seeing you that evening.

Dear Mr. Thomas;

Enclosed with this letter is an invitational mailing which we sent out a few days ago. You probably received one at your home. This is the 6th year we have had a large affair, usually about 550 people, who come for a fun evening which ends by 10:30.

Robert Wise is actively chairing the affair and, of course, all the honorees will be present. He and George Cukor are working on the actual program.

All the faculty and students at Cinema as well as the committee have requested that I ask you to serve as M.C. for affair. It would take little preparation--perhaps a briefing on the program half an hour before the banquet starts.

Even though it is black tie, we try to maintain a relaxed, fun evening atmosphere. I think both you and your wife would enjoy the evening. Of course, you would both be guests of the University.

I tried to contact you at the office but you were shooting. On Monday afternoon I will try to contact you again.

Thank you so much for your consideration.

FOR RELEASE

Immediately

It's a sell out!

That full-house situation show-business people always hope for has just settled itself on an event for which they themselves will be in the audience.

Producer-director Robert Wise, chairman of the 30th Anniversary Awards banquet of Delta Kappa Alpha, to be held the night of Feb. 11 in the Foyer of Town and Gown on the USC campus, announced today that the affair is a complete sell-out. Delta Kappa Alpha is the national Cinema fraternity.

"We have places for only 550 people," complained Mr. Wise. "We could have sold 900 to 1000 tickets."

Popularity of both the event and those to be honored is credited for the close-out of ticket sales, earliest in the history of the event.

The 1968 honorees will be Mae West, Jimmy Stewart and Mervyn LeRoy, all of whom will be in attendance.

Also nominated for the DKA honor was Alfred Hitchcock, who will be unable to be present because of a conflict in production scheduling which will cause his absence from the city.

Dear Miss West:

In recognition of your outstanding achievements and contributions to the motion picture, it is our desire to confer upon you Honorary Membership in Delta Kappa Alpha.

Delta Kappa Alpha, the national honorary cinema fraternity was formed thirty years ago on the campus of the University of Southern California. Its purposes are three-fold: (1) to foster dramatic, cinematic, and aesthetic interest in the motion picture; (2) to encourage the dissemination of information about cinema; (3) to coordinate more closely the activities of students of cinema and professionals.

Our list of Honorary Members is made up of people who have made great and diverse contributions to motion pictures. To commemorate this 30th year, a Banquet will be held on Sunday evening, February 11, 1968 in Town and Gown on the USC campus. We know it will be as enjoyable as previous banquets.

There is no one today whom we feel is more worthy to become an Honorary Member on this occasion than yourself. We look forward to your acceptance of this honor and to having you with us on February 11th.

The Banquet Committee is currently being formed. Our good friend, Mr. George Cukor, will of course, serve on the Committee as he has in past years.

We offer our personal congratulations.

Mr. Eric M. Berndt  
12549 Kling Street

Dear Eric:

It was a very real pleasure visiting with you Friday afternoon and having the opportunity to see your marvelous collection of early cameras and other historical items. A way certainly must be found to house this so that it will be available to make it available for public display.

Furthermore, we frequently have students like Rod Ryan who are very much interested in the historical aspects of the motion picture and I intend to try to get them helping you in organizing and cataloguing much of the related reference material which you have.

I deeply appreciate your giving me a copy of Transaction #2 of SMPE. Our collection of Journals for the early 30's is not complete. I would very much like to help you organize your early Journals, and perhaps we can make an arrangement so that we can get copies of the early ones which we need and which are duplicates in your collection.

I have an Eastman Model A projector which was given to the University and which we would like you to put with your collection. I only wish that I had the time to put this up in good operating condition. I seem to remember that I have one of the original tripods which went with the Model A camera and if I can find it, I will get this to you also.

I only wish that we had an appropriate place to display your collection. It would certainly be appropriate at the University of Southern California which was a pioneer in its own aspect of the field. It would be great if space for this could be included in the Performing Arts building which is only now in the preliminary stages of planning.

Again, we deeply appreciate your time and interest and I shall get the projector to you in the near future.

Sincerely yours,

Herbert E. Farmer
