

DELTA KAPPA ALPHA
Alpha Chapter
University of Southern California

April 30, 1954

Dear Brother:

That time of year has rolled around again. By this I mean the Banquet of Alpha Chapter. This year we're planing on having a bang-up time, and our officers have been working long and hard towards that end. They've arranged with the Beverly Gourmet to put on a good meal at a reasonable price and we're having our own bar at our own prices.

All in all, it promises to be a great evening, renewing old acquaintances, making new ones, and batting the breeze with everyone. So, if you're planing to attend, would you please fill out the enclosed card and send it along to us at your earliest convenience. It will help considerably in making final arrangements.

Here's all the dope in a nutshell:

Place: Beverly Gourmet
460 N. Canon Drive
Beverly Hills

Time: 8:30 P.M.
(But our bar opens at 6:30)

Date: Sunday, May 16, 1954

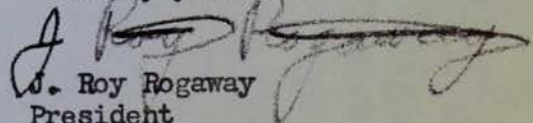

Price: \$3.50 per plate

For additional information phone RI-2311 Ext. 200

That's it. Fill out the card and shoot it out right away. We'll take care of the rest.

Here's hoping to see you on the 16th.

Sincerly yours

J. Roy Rogaway
President

P.S. Don't forget to bring the Mrs., We'd like to meet her.
