Miss Bette Davis
1100 Stone Canyon Road
Los Angeles 24, California

Dear Miss Davis:

George Cukor, Y. Frank Freeman, Stanley Kramer, and I are delighted, deeply grateful, and highly honored that you have agreed to head a women's committee to help make an important and exciting event of Delta Kappa Alpha's twenty-fifth anniversary dinner January 6th here at the University of Southern California.

With headquarters at this campus's department of cinema, Delta Kappa Alpha is a national collegiate cinema fraternity which annually honors a member of the motion picture industry for outstanding achievement. In January we are honoring both Mary Pickford and Harold Lloyd.

Your function will be to serve as chairman of a group of hostesses who will see to it we have a large and representative attendance from every phase of the southern California community.

Dr. Topping, for instance, already has invited Mayor Yorty and Governor Brown; and Mr. Freeman has asked Adolph Zukor, who has accepted.

We promise that the burden on you will be light. All contact work is to be delegated to members of the committee. Also, Stanley Musgrove, a USC alumnus who is associated with Mr. Cukor, has volunteered to handle all details for you.

Enclosed is a suggested list of women for the committee.

Very truly yours,

Bernard Kantor
