Mr. Paul Newman
Universal Studios
Universal City, Calif.

Dear Mr. Newman;

D.K.A. was founded here on our campus in 1936 to foster interest in dramatic, kinematic and aesthetic aspects of cinema. D.K.A. also promotes greater cooperation between professionals in film and students of film.

Here at USC one of our major projects is the annual awards banquet. The students in Cinema vote to honor members of the film industry who have made notable contributions to motion pictures.

We were delighted to learn from Steve Karpf that you will be one of our honorees this year. The banquet will be Sunday April 1, 1973 at 7:15 here on campus. You must be present to accept honorary membership and we are all looking forward to meeting you.

The committee is currently being formed and Robert Wise has agreed to be the banquet chairman.

Invitations are already printed and will go out in a few days. The affair will be informal.

Our sincere thanks for honoring us by letting us honor you.

Cordially,
Bernie Kantor
