Dear XXXXX:

By now you should have received your first copy of the "revitalized" DELTA ALPHA NEWSLETTER. I think you will agree it fills a real need that has long existed.

This year we hope to publish four newsletters and in the future, it is anticipated that even more frequent editions will be printed. In this effort, we need your help in two ways:

FIRST - WE NEED INFORMATION: Can you send us word of your own activities or those of other former students? (If you know the whereabouts of any of those people with whom we may have lost touch, please send this information also.)

SECOND - WE NEED A LITTLE ECONOMIC HELP: DKA National has been inactive for several years and the treasury has become quite depleted. We are not planning to invoice for any dues until January, 1957, as we want everyone to realize that it is not just another false start. If you will send us your check, NOW, however, it will help us to get out of the red. (Constitutionally, the dues are \$3.00 per year but if you were to make the check for more, the first \$3.00 would take care of the 1957 dues and the balance would help remove the red ink from the books. Needless to say, the full amount can be reflected in your income tax.)

We are doing all we can, XXXX, and would appreciate your help. Will you do these things, now, while they are fresh in your mind?

Fraternally yours,

Herb Farmer, Exec. Sec.  
DELTA KAPPA ALPHA, NATIONAL
