After dinner, the president will call for the initiates to come forward. At that time, the active assigned as sponsor will escort his pledge to a position in front of the speakers table and introduce him in these words:

Mr. President, I wish to present _____ (name),
(no Mr. or other title), candidate for active membership in Delta Kappa Alpha.

The president will acknowledge the introduction by repeating the pledge's name (Mr. Blank), and the active sponsor will return to his seat. Pledge remains standing.
IMPORTANT: Sponsors should line the pledges up in two rows of seven pledges each facing the speakers table. Lines form at the sponsors left (speakers right) hand side of table. The pledges will not be called; when the president calls for initiates sponsors escort pledges to their places in alphabetical order (according to the list above) of pledges names.

Pledges remain standing until they receive their scrolls. Take the scroll with left hand, shake hands with the President and return to their seats.

Applause may follow each initiate receiving his scroll.
