The sender *is not* required to pay a registration fee providing for full indemnity coverage (up to the limit of \$1,000). However, if the actual value of the matter mailed exceeds \$25, the sender must pay a fee of at least 55 cents. Some matter having no intrinsic value, so far as the registry service is concerned, may involve considerable cost to duplicate if lost or destroyed. The sender is privileged to pay a fee for insurance against costs of duplication if desired.

Domestic registered mail is subject to surcharge when the declared value exceeds the maximum indemnity covered by the fee paid by \$1,000 or more. Claims must be filed within 1 year from date of mailing.

Consult postmaster as to fee chargeable on registered parcel post packages addressed to foreign countries.

Mr. Russel Bemis

Dear Russel:

I recall some time ago that you called me requesting a DKA insignia. For the life of me I can't recall whether you wanted a kep or a pin, and I can't find the note which I made to myself at the time you called.

The cost of the pin is \$7.00, and the cost of the key is \$8.00, including excise tax, sales tax, postage, and so-forth. Please let me know which it is that you want. I have both on hand. Why don't you send a check along with your request, and I will shoot the correct one right back to you.

Cordially yours,
