Dear Homer:

Under separate cover I am sending you a bundle of DKA Newsletters. Yes, believe it or not, our efforts are gradually taking shape and the national office is coming to life.

When you look in the Newsletter on page 4 you will notice that the last word we had on Beta Chapter was December 1955. Has it died? If so, can we resurrect it? National is now prepared to supply printing, jewelry, etc.

Can you put me in touch with the current officers? We would appreciate your help.

Cordially yours,

Herbert E. Farmer  
Director of Services
