Mr. Richard Duffield  
12120 Texas Avenue  
Los Angeles 25, California

Dear Dick:

Just a note to remind you that National DKA is unable to go ahead with any plans on the Newsletter until I get some money in. Both Delta and Alpha have had some economical problems and National is in a tight fix now. Can you help me any?

I also need the addresses of your members for our mailing list. Can you get those to me.

Fraternally yours,

Herbert E. Farmer  
National Executive Secretary
