Your paper is scheduled in the final program for the 83rd SMPTE Convention to be presented at \_\_\_\_\_ on \_\_\_\_\_ 1958. The time allowance is \_\_\_\_\_ minutes including any discussion. To insure smooth and effective presentation, please observe these instructions:

1. From practice deliveries, note the time required, and modify your notes or manuscript as necessary to avoid running overtime. An author who runs overtime is depriving another author of part of his presentation time.
2. A brief oral presentation, within the time allowance, is usually more effective
